SUBJECT: ATTEMPTS TO CLARIFY INCIDENT DATE AND LOCATION

When the reporting party/victim, [REDACTED], registered her complaint on 22 February 2012, she said the incident occurred on 11 April 2011 at [REDACTED], which was her address. No Police Department reports were found that indicated that the incident occurred on that date and at that location.

On 23 February 2012, after [REDACTED] had not come to IPRA for her scheduled interview, the R/I left a voicemail message on her phone, [REDACTED]. At approximately 1732 hours, [REDACTED] called back and stated that the incident did occur on 11 April 2011, but it occurred at [REDACTED] (not Monitor), where she lives. She added that her son [REDACTED] had been arrested for police impersonation on 22 February 2012. [REDACTED] said she would call IPRA back to re-schedule her interview and would fax or mail some medical reports to IPRA. At approximately 1846 hours, [REDACTED] called the R/I and said "detectives" had tried to "arrest" her, but they had left.

The R/I found no record of service calls to [REDACTED] on 11 April 2011, but found that an Evidence Technician had gone to that address on 12 April 2011 at 2240 hours for "[REDACTED]" who left before the ET arrived. The R/I then called [REDACTED] on 23 February 2012 at approximately 1925 hours and asked if the incident under investigation was related to the incident involving the ET, but she said no. The R/I checked for service calls in all of April 2011 at [REDACTED] and located an incident on 24 April 2011 (Event Query [REDACTED]). An RD number was included in that Event Query [REDACTED].

The Case Report indicated that on 24 April 2011, at approximately 0459 hours, officers went to [REDACTED] on a well-being check. [REDACTED] told officers that his mother [REDACTED] had been drinking a lot. [REDACTED] told officers that her family members were victimizing her, and it was ongoing. [REDACTED] added that if the police did not do something about it, she would kill herself and her family. [REDACTED] wanted to sign his mother into a hospital out of fear for his family's safety. He added that his mother had been signed into St. Mary Hospital for treatment before. [REDACTED] refused to go to the hospital in an ambulance, so officers notified Beat 2511R (wagon) to take her to the hospital. [REDACTED] followed officers to the hospital to sign in his mother for treatment.

On 23 February 2012, at approximately 1955 hours, the R/I called [REDACTED] and asked if she knew who '[REDACTED]' is, but she said she did not. She again related that she would call IPRA to schedule an interview.
